### -MONTHLY GATHERING AT THE RANCH VTAAC -

Once upon a cold rainy day.... that seems to be the way every monthly gathering story starts out.... but it doesn't stop veterans from showing up and having a great time. We had the biggest turnout yet and a great pool tournament. Lunch was delicious. Denni Grace fixed hot ham/turkey cheddar sliders and served them with tomato soup. A perfect combination for a cold rainy day. Ann Neal and Cindy Garrett provided the sweet deserts. We had 8 brackets of Pool sharks competing for the coveted mystery box of goodies. Winners were as follows...

1<sup>st</sup> Place – Jeff Farmer

2<sup>nd</sup> Place – Mark Garrett

3<sup>rd</sup> Place – Miki Farmer

# COME MEET THE BULL

REC TEC  
 Bull RT-700

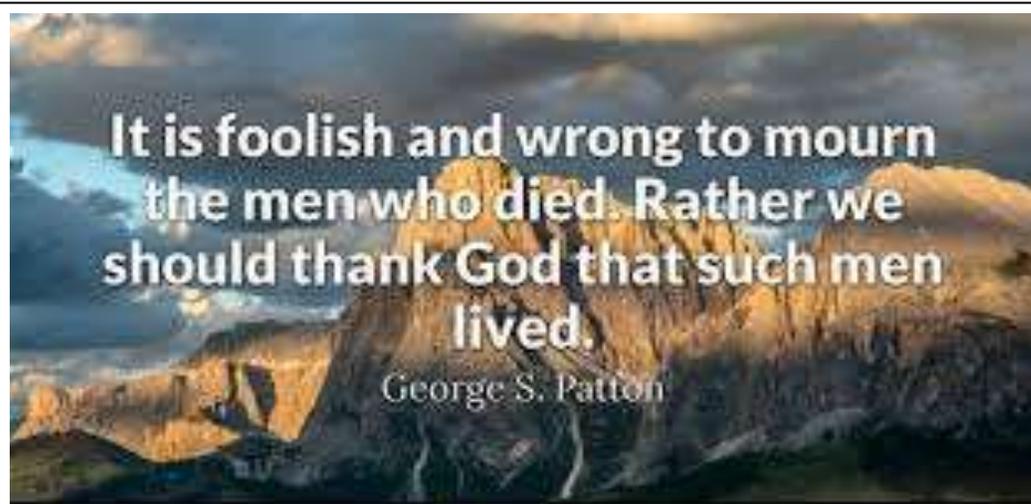

**CATTLE** – Cows still looking good. Our focus is keeping good quality hay available as well as mineral and protein tubs out. We have had a few early calves. As of this publication the calf count is 10. Seven bulls and 3 heifers. Looking forward to drier weather. For those looking forward to spring...49 days!

**HORSES** – Horses are having to work a little harder this month. It has rained so much that the pastures are very mushy. Driving the tractor across the pastures to check cows and new calves will tear up the grass and the trucks will get stuck. So, each morning the horses have been making the trip out to do the morning check. C3 has purchased 2 mules to use for the pack trips for H4B. I would like for you to meet Jessie and Jane, trained pack mules. These girls have been up A few mountains and will be taking good care of our veterans at the horsemanship camps and on our trip in July and August.

**GARDENS** – We have been composting and planning the layout of the gardens for spring. We are going to add blueberries And fruit trees this year.

**BEES** – 2019 Spring addition in our quest for a self- sufficient veterans farm. If you would like to sponsor this project please let us know. We will be setting up 4 hives and will need supplies.
